				ge	We find the draft satisfactory with a few changes (se below). The text does not need to be translated to Swedish. In our opinion this part of the standard can be published.		
		5.2.2.3	Figure 3	ed	The clarity of the figure could be improved	Add a) and b) to the figure and to the text below. "The upper part of the figure is for the production area a), and the lower part is for the harvest area b)"
