

CONFERENCE PROGRAMME

Tuesday 21 September, 2021

SPONSOR:

08.30 REGISTRATION OPENS

IVA Conference Center, Grev Turegatan 16, Stockholm

09.00 THE FRONTIER IN POLICY CHANGES – HOW TO BOLDLY GO TO REDUCE TRANSPORT EMISSIONS AND FOSSIL FUELS DEPENDANCY – PART 1

Chair: Gustav Melin, CEO Svebio

Opening address, Alarik Sandrup, Chairman, Svebio

Europe working together for a green future – How and in which scope?

Nils Torvalds, Member of the European Parliament, European Parliament, Finland

Policies to curtail fossil in view of meeting the Paris 2050 targets (online)

Kyriakos Maniatis, Officer, Ex European Commission, Greece

Scale-up and market opportunities of renewable ethanol from Brazil (online)

Emily Rees, European Representative, UNICA Brazilian Sugarcane Industry Association, Brazil

General panel discussion 1

10.30 COFFEE AND TEA

10.50 THE FRONTIER IN POLICY CHANGES – HOW TO BOLDLY GO TO REDUCE TRANSPORT EMISSIONS AND FOSSIL FUELS DEPENDANCY – PART 2

Chair: Åsa Håkansson, Business Developer Policy and Legislation, Preem

CelluApp technology, making value of wood into ethanol, marine fuel and chemicals

Monica Normark, Chief Technical Officer, SEKAB, Sweden

Green transition with the production of sustainable biofuels and chemical products (online)

Mallikarjun Navalgund, President, Praj Industries, India

Production of pyrolysis oil from sawdust for biofuels

Pontus Friberg, Chairman Pyrocell, Sweden

General panel discussion 2

12.30 LUNCH

13.30 INTERNATIONAL COLLABORATION AND BUSINESS OPPORTUNITIES FOR ADVANCED BIOFUELS

Chair: Tomas Ekbohm, Program Director, Svebio

Investing in large-scale biofuel production and renewable energy

Mika Anttonen, Chairman of the Board, St1 Nordic, Finland

BioTfuel – Targeting the development of advanced biodiesel and biojet fuels

Michael Hecquet, Coordinator for BioTfuel project, Total, France

HydroFlex™ – Enabling fuel production from waste and biomass (online)

Asad Navid, Business Development Manager, Haldor Topsoe, Denmark

Three pathways to produce sustainable fuels in Sweden (online)

Dan Szeezil, Manager - Renewable Fuels, Honeywell UOP, USA

General panel discussion 3

15.10 COFFEE & TEA AND END OF DAY 1

18.30 RECEPTION DRINK AND CONFERENCE DINNER

IVA Conference Centre / Restaurant Grodan

SPONSOR:

CONFERENCE PROGRAMME

Wednesday 22 September, 2021

08.30 REGISTRATION OPENS,
IVA Conference Center, Grev Turegatan 16, Stockholm

09.30 ELECTROFUELS AS THE BRIDGE TO ELECTRIFICATION OF TRANSPORT WITH RENEWABLE CARBON

Chair: Magdalena Streijffert, Public Affairs Manager, Neste

Barents Blue – Developing a world-scale clean ammonia hub

Bjørgulf Haukelidsæter Eidesen, CEO and Founder, Horisont Energi, Norway

Project Air – Producing sustainable methanol for the transition towards a climate neutral chemical industry

Håkan Kihlberg, Vice President Strategic Projects and Processes, Perstorp, Sweden

Biomass-based heat & power plant with biomethanol production as marine fuel (online)

Håkan Vedberg, Strategic Business Development Director / CFO, Övik Energi, Sweden

10.30 COFFEE AND TEA

10.50 CLEAN BIOFUELS AND THE FUTURE OF COMBUSTION ENGINES

Chair: Magdalena Streijffert, Public Affairs Manager, Neste

Alternative marine fuels for short sea shipping

Mathias Palmqvist Broman, Naval Architect, SSPA, Sweden

Some guiding principles on designing renewable aviation mandates

– Highest carbon reduction per feedstock molecule

Michael Fiedler-Panajotopoulos, Director, Government Affairs,
Renewable Energy Group, The Netherlands

Futurol – Advanced technology for cellulosic ethanol treatment

Julie Maillot, Bio-based technologies engineer - Renewables Business Group, Axens, France

Biomass potential and how pyrolysis can solve electricity and energy system challenges

Gustav Melin, CEO, Svebio, Sweden

12.00 LUNCH

13.00 END OF DAY 2

Alarik Sandrup

Nils Torvalds

Kyriakos Maniatis

Emily Rees

Åsa Håkansson

Monica Normark

Bjørgulf Haukelidsæter
Eidesen

Gustav Melin

Pontus Friberg

Mika Anttonen

Michael Hecquet

Asad Navid

Dan Szeezil

Magdalena Streijffert

Tomas Ekblom

Mallikarjun
Naval Gund

Håkan Kihlberg

Håkan Vedberg

Mathias Palmqvist
Broman

Michael Fiedler-
Panajotopoulos

Julie Maillot
