### Further processing

	Production m <sup>3</sup>
Långshyttan wood industry hub	70 000
Setra Wood Products**	21 000

\*Includes some further processing  
 \*\*In United Kingdom

# Långshyttan

Cross laminated timber

Gluelam beams

Components

26 000 tonnes annually

# Why pellets

- Increasing consumption of pellets within EU-27
- Dried and intergrated material at the mill
- Reducing amount of trucks from abt 1600 to 700.
- Local and International commodity
- Increasing value of the bioproducts

Green value
